

연수 제안서

연구 분야	Chemistry/chemical engineering/materials science
연구 과제명	Energy Storage / Flow Batteries
연수 제안 업무	Membrane development
<p>(연수 내용)</p> <p>- 연수기간 : 2022.09-2022.11</p> <p>※3개월만 활용할 예정</p> <p>※only use for three months.</p> <p>- 연수 내용 :</p> <ul style="list-style-type: none"> - 1 intern - Fabrication of advanced membranes for use in electrolyzers - Characterisation of membrane properties - Preparation of presentations, patents and publications - Presentation at conferences - support with administrative work <p>※3개월만 활용할 예정</p> <p>※only use for three months.</p>	
<p style="text-align: right;">소속 부 서 : Hydrogen-Fuel Cell Research Center</p> <p style="text-align: right;">연수 책임자 : Dirk Henkensmeier</p>
